Rules of Allocation of Housing and Use of UL Dormitories in the 2020/2021 academic year

1. The individuals which may become eligible for allocation of housing at the UL Dormitories shall exhibit no symptoms potentially partial to respiratory infection and share their current dwelling with anyone under Covid-19 quarantine or isolation at home or remotely.

2. Each student / post-graduate is allocated to a 2-bed room. If the housing resources at a UL Dormitory are not depleted, it is possible to apply for allocation for housing in single rooms.

3. Gyms and TV rooms shall be off-limits until further notice.

4. Until further notice, the following is strictly forbidden: entry and stay of non-allocated individuals at the UL Dormitory premises, hosting of meetings or assemblies at the UL Dormitory premises, and reception of any visitors (including students allocated for housing at other UL Dormitories) at the UL Dormitory premises.

5. Short-term / immediate housing is prohibited until further notice.

6. All Quiet Study and laundry rooms shall only be used after prior notice given to the UL Dormitory front desk. Only 1 individual shall be present at each Quiet Study or laundry room at the same time.

7. All kitchens shall only be open for 1 individual at the same time.

8. All general access areas (hallways, kitchens, laundry rooms, and Quiet Study rooms) are strictly under the following regulations:
   - Wear face masks on the nose AND the mouth (face mask dispensers are located on the ground floor).
   - Hands must be sanitized (the sanitizer dispensers are located at the front desk).

9. Use of lifts is discouraged unless no reasonable alternative is viable. Only 1 individual may occupy the lift cab at the same time.

10. Administration must be contacted preferably by phone or e-mail.

11. Follow all Communications, Rules and Regulations posted on cos.uni.lodz.pl and frequently check the e-mail inboxes authorized for use at UL for detailed communications, which may concern the UL Dormitories.

12. Each UL Dormitory building shall have the following posted on site:
   - Notices of procedures for hand sanitation, safe coughing and sneezing, and social distancing (in several language versions, as applicable).
   - Emergency response procedures for suspected Covid-19 cases.

13. Should you suspect you have contracted Covid-19 or suspect it in any UL Dormitory resident, follow the response procedures in coordination with SANEPID, which may include quarantining the entire UL Dormitory building or its parts.
Follow these rules to minimise your risk of exposure to Covid-19:

1. Cover your nose and mouth in general access areas (hallways, kitchens, laundry rooms, lifts, and Quiet Study rooms).
2. Source your personal protective equipment privately (face masks and disposable gloves).
3. Dispose of used face masks into designated waste bins.
4. Sanitize your hands.
5. Keep social distance.
6. Avoid close contact with anyone who is sick, especially if he or she has respiratory symptoms.
7. Follow all Instructions, Communications, and Regulations of the UL Management.

The Emergency Disease Symptoms Response Procedure (also applicable to Covid-19) are specified in Annex 5 to Rector’s Communication of 1/10/2020.
