Pursuant to Article 23(1) of the Law on Higher Education and Science of 20 July 2018 (consolidated in Journal of Laws – Dz.U. 2020.85, as amended), it is hereby regulated as follows:

§ 1

1. The students, doctoral candidates and personnel of UL may travel to foreign destinations in official, learning, teaching, research, and training mobility capacity and individuals from foreign destinations may arrive to UL in compliance with the regulations governing the containment of the current epidemiological situation, both domestic and global, caused by the spreading of the COVID-19 coronavirus (SARS-CoV-2).

2. UL’s Rector is the office which may grant individual permission for foreign travel of each UL student, doctoral candidate, and personnel member.

3. Prior to deciding to travel to a foreign destination and immediately before the departure, the UL student, doctoral candidate or personnel member, as applicable, shall be aware of the current epidemiological situation both domestic and global, and specifically at the intended foreign destination of stay to reduce the risk of obstruction due to prohibition of crossing state borders, institution of a flight ban, and institution of mobility restrictions.

4. Given the current risk of SARS-CoV-2 contagion, UL’s Rector requires all UL students, doctoral students and personnel who intend to travel to foreign destinations to read and understand the current information concerning all disease control restrictions and to conform to all relevant regulations and guidelines enforced by the government of Poland and at the country of destination.

5. Each UL student, doctoral candidate, and personnel member who departs to a foreign destination is required to sign a written declaration the template of which is appended hereto.

6. All individuals arriving to UL shall comply with all prevailing disease control regulations and to stay up to date with the information published by the UL authorities, the government of Poland and Polish epidemiological control authorities relevant to all procedures applicable to the current COVID-19 (SARS-CoV-2) epidemic.

7. UL’s Rector has the authority to suspend the foreign mobility and entry from foreign destinations defined in Section 1 above with reasonable consideration of the developing COVID-19 (SARS-CoV-2) epidemic and in coordination with authorities of relevant jurisdiction.

§ 2

The UL Rector’s Regulation no. 94 of 2/03/2020 concerning the suspension of incoming and outgoing international mobility due to health risks pertaining to the spread of novel coronavirus (as amended).
§ 3

This Regulation becomes effective on the date of signing.
